

Red Rock Wildlife Area

Location: The Red Rock Wildlife Area is located about 26 miles north of Lordsburg.

Total Acreage: 1,530 acres.

Purchase: Red Rock Wildlife Area was purchased beginning in 1960 as a propagation area for several species of exotic wildlife, but now serves as a refuge for desert bighorn sheep.

Description: The area is dry and mountainous with some wet meadows along the Gila River.

For More information: More information about hunting, fishing and other activities, may be found on the Department's website: www.wildlife.state.nm.us/.
